

Open Competition for Young People 2014

Migration & Identity in Europe

- ▶ What are the reasons that people move to or within Europe?
- ▼ What do immigrants meet in their new society?
- ▲ What helps to overcome barriers?

We want stories, features, snapshots, investigations of presence and past or your own experience. Whether you send us a film, a text, a performance or photos is completely up to you.

Your group (min. three persons) might consist of friends from any school, university, youth groups or from your job, and your age might range from 15 to 25 years. To participate you send us the layout of your project written on one page, telling us the idea behind your oeuvre, how did it come about; who are the persons cooperating; and who is the contact person for us. This serves the judging panel as a basis to find the winner.

Entry deadline is the 15th September 2014
